**Fish Safe's Waves of SAFETY
is hitting the wharves, just in
time for the prawn season!**

**Bring your crew and immersion suits
and come practice your emergency
drills before heading out.**

**Fish Safe will be at the wharves between
10am - 2pm to run drills, talk safety, and
help out with any questions you have.**

**As an added bonus, Fish Safe will have a
small supply of immersion suit strobe
lights available while supplies last.**

**Run your drills. Check your gear. Start
the season off right by being prepared.
We'll see you at the wharf!**

**Any questions? Call or text
